TOOLS TO SERVICE

WHY CUSTOMERS CHOOSE DROP REFILL

Plug-and-play installation

One standard outlet and one 3/8" water line. Wheel in, connect, and dispense in minutes.

Tool-free servicing

Swap flavor boxes and CO₂ in minutes, no tools needed. Automated nightly self-sterilizing.

Remote management dashboard

Monitor usage and inventory, manage kiosk health, deployments, and user access from anywhere.

High-volume capacity

Up to 10 x 472-serving boxes and 20 lbs of CO₂ in just 2.5 sqft.

Industry-leading warranty

2-year parts and electrical systems warranty; the best coverage in the category.

Full-Flavored Drinks

We don't just offer flavored water, we also have teas, energy drinks, wellness boosts, and more.
